THE PRESIDENTS CORNER

Kevin Wilson, Bob Davis, Dave Keller, and I want to wish everyone a very happy holiday. I truly love this time of year, the weather is cooler, the leaves have changed colors, and it's great to be around family and friends during the holidays. Not to mention my engine runs stronger in cooler weather...It's been a long time since I've had a white Christmas, but the weekend of the Pylon Race I thought it might happen; Temperatures were in the 30's in the morning, the ground was absolutely white, and ice layered the pavilion. Ah, but leave it to Florida to be freezing one weekend, and 80 degrees the next.

This is also the time of year that our local hobby shops make a good percentage of their sales for the YEAR. So I wanted to put a buzz in your ear and say, shop at your local hobby shop!!! Give your local hobby shop a chance to match prices with your online supplier. Another plus is if the item you purchase from the hobby shop comes in damaged, you don't have to worry about contacting the supplier or sending the item back. So print out that online ad, and walk into your hobby shop, and don't be afraid to ask if they will match price. I think in the majority of the cases you will be much happier that you supported your local hobby shop.

This year Bob Davis has out done himself. Bob is the Contest Director of the 4th Annual Toys 4 Tot's Fly-in. This year the event is sponsored by Hobby World and Horizon Hobby's. Hobby World donated a Seagull Yak and a Lionel train set that will be raffled off, a total value of over \$500.00. Tickets for the Yak and Lionel Train will be sold at the event, and the winner picked that day. Horizon Hobby's donated a DX-7 and some mystery prizes. Tickets for the DX-7 will be given out to those who donate a Toy, or Toy's. For each \$10.00's in value that a toy is donated, the person will receive a raffle ticket. Bring a bike valued at thirty dollars, and receive three tickets. The prize pool is larger than the banquet last February. Remember these prizes were donated to encourage you to donate toys.

SO ON DEC 1ST, TURN OFF THE TV, GET OFF THE COUCH, AND COME OUT TO THE FIELD!

Pat Davis will be supplying her famous chili, so you don't even have an excuse even if it's cold out side.....Let's show our support for this wonderful charity and bring out some toys for the kids of Jacksonville.

Happy Holidays

Patrick

TOYS FOR TOTS

OK, so as the editor, and head writer of this fine publication, this is my chance to plug my favorite event. The Gateway RC Fourth Annual Toys For Tots fly-in.

I am sure everyone knows about it by now, but there is nothing like one last announcement.

As Patrick said in his article, I have lots of stuff to give away. I have been keeping a running total and the prizes are valued at over \$1,700.00. I have received every item for free from Hobby World, Horizon Hobby and many manufacturers, and local restaurants.

There will be the DX7 supplied by Horizon, and tickets for the radio system will be for pilots who sign up. ***(do not need to fly)*** For every \$10 in value, you will get a ticket. Bring 10 \$10 toys, and get 10 tickets, bring one \$40 toy and get 4 tickets. No toy? No problem. Donate \$10 in Cash or Check and get a ticket.

We will also be selling raffle tickets for the Seagull YAK 54, and the Lionel Train set. \$1 each, \$5 for one arms length, and \$10 for a double arms length. Everyone is Eligible to win!

There will be a raffle for non flying participants. I have gift cards from Publix, and Outback Steakhouse to mention a few. So tell your friends and neighbors to come on out. The tickets will be the same as the pilots prize, a \$10 toy gets 1 ticket, etc etc.

All proceeds from the raffles, and cash landing fee's will be turned over to the USMC Toys For Tots Charity. Staff Sergeant Moore will be on hand to meet and greet everyone, and who knows, we may get him on the buddy box with Patrick. I hope to see you there.
