

Gateway Radio Control Club Jacksonville, Florida

Hi Guys,

Well, this is it; the year is over! I started out as "acting president" hoping someone would step up, no one did. So I continued on and we got through it. We still have our field and life goes on. Now Tom will take over and we'll get a nice new field to fly at and everything will be great! Tom's going; "what??" Well that's our hope anyway. It's been fun and I'll still see ya at the field.

-John Ziegler
