THE FLYPAPER

September
2009

Gateway Radio Control Club Jacksonville, Florida

Hi Guys,
Another month is gone, so now another column. This was a quiet month at Gateway RC so we'll just have a little blurb. We have the O. J. Stillman Memorial Pattern Contest, Sept.. 26 & 27, 2009. This is a contest event for pattern flyers. Personally the landing pattern is the only one I've mastered. But if you want to see some precision flying this is where to see it. I'm sure Tony will need some volunteers to help out. This month it should start to get a little cooler and more comfortable to fly so we hope to see ya at the field.

Later,
John Ziegler

Next Club Meeting:

Tuesday, October 6, 2009
7:00pm -St. John's Seafood
1161 Lane Avenue South

Upcoming Events

Sept. 25-27

33rd O.J. Stillman Memorial Pattern Contest CD:
Tony Stillman

Nov. 12-15

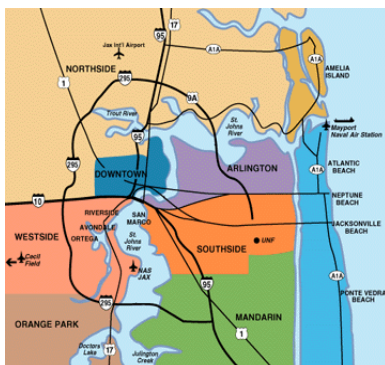

Southeast IMAC Regional Contest
Thursday Nov 12 will be a practice day for the contestants

Dec. 5

6th Annual Gateway R/C Toys 4 Tots

Dec. 12

Gateway R/C Club Winter Swap Meet CD: Jim Willis

In the last several months, we have gotten many new members. However, we do not seem to have any increase in the meeting attendance. In fact, our monthly attendance is continually going down...

ATTENDENCE FOR THE PAST 6 MONTHS:

March	32
April	26
May	16
June	15
July	17
August	15

We would like to find out what sections of the city the majority of the members are from.

Would moving to another location make it easier for more members to attend?

Would alternating locations help?

Perhaps a less expensive or different menu might make a difference?

We want to hear from YOU..

Please email your suggestions to: flypaper2009@gmail.com

For those who might not have seen it yet, here is a copy of Tony Stillman's flyer.
Be sure to mark your calendars.....
